

Measuring is easy.

Simply print out these two pages and assemble your measuring tape.

How to print (for PC)

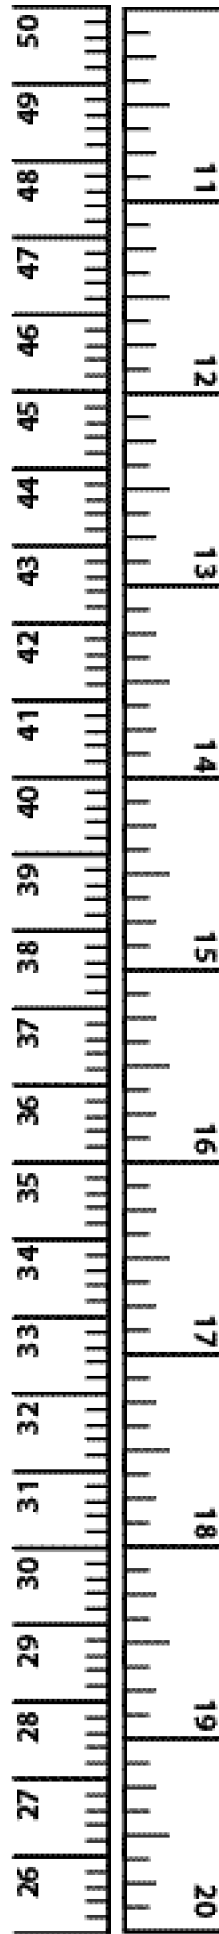

Select "Print" from your File menu. Uncheck the "Fit to page" box if it is currently checked. The ruler may not print to size if these guidelines are not followed.

How to print (for Mac)

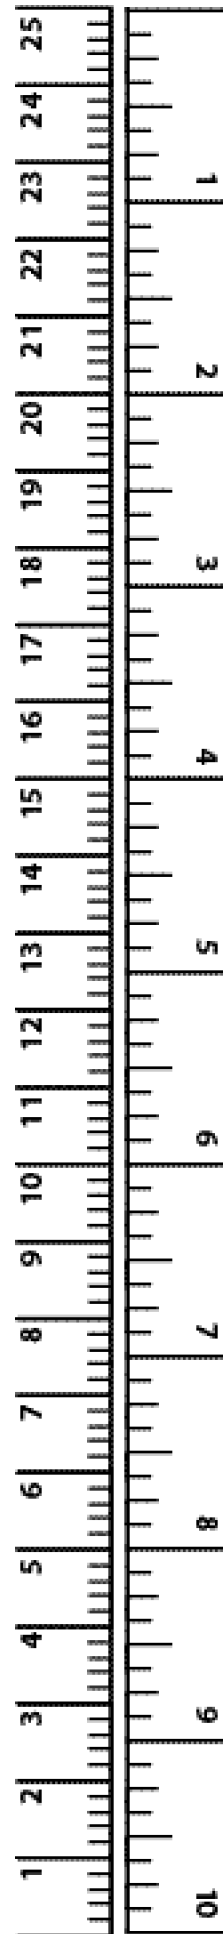

Select the print icon in the upper left corner of your window. When the print dialog box opens, choose "Acrobat 4.0" in the pulldown menu labeled "General." Uncheck the "Fit to page" box if it is currently checked. The ruler may not print to size if these guidelines are not followed.
